WEEKLY AREA ACTIVITY

Access and local conditions

Reporting period / 16/11/2026 to 22/11/2026

Numbered markers link to the findings below. The dashed circle shows the approximate extent of the weather report.

1 Entrance closure

18/11

A maintenance notice identified the delivery entrance affected by repairs.

2 Standing water

20/11

A district notice reported pooled water. The source gave no individual street or affected entrance.

3 Delivery check-in

20/11

Reception confirmed that it was checking arrival slots by phone.

4 Holding area open

20/11

The site team confirmed that the waiting area remained available for booked vehicles.

Exercise sources include a maintenance notice, an area weather notice and a site duty log.
